Northern Savings Launches 2023 INSPIRE Fund

Northern Savings has officially launched its 2023 INSPIRE Fund. The INSPIRE Fund provides support to local initiatives and non-profit organizations that make a real difference in the lives of people in Northern BC communities.

2022 marked the Fund's inaugural year, where \$50,000 in donations were provided to four local projects. Northern Savings has announced a 50% increase to the fund for 2023 and has allocated \$75,000 to give back to local organizations, bringing its annual donation total to more than \$125,000.

In addition to the allotted \$75,000, Northern Savings will also be adding to the Fund through the Northern Perks program. The program will grant up to \$500 to the 2023 Fund when a member switches their mortgage from another financial institution to their local financial co-operative, Northern Savings.

"When more people choose Northern Savings for their banking, investment, and insurance needs, the more we can give back to impactful and meaningful projects right here in the North," said, Northern Savings' President & CEO, Stefan Delloch. "We are incredibly grateful for the unwaveringly support of our members and clients; together, we can make a difference and create a better future for all Northerners."

INSPIRE Fund applications will be accepted until September 1, 2023. To learn more about the INSPIRE Fund visit [Northern Savings website](https://www.northsave.com) or reach out to Northern Savings at info@northsave.com.
