Northern Savings Celebrates International Credit Union Day with Refreshed Logo and \$110,000 in Community Funding

As credit unions around the world celebrate International Credit Union Day, Northern Savings is marking the occasion by reflecting on its cooperative roots, unveiling a new logo, and celebrating a significant investment in Northern communities through its INSPIRE Fund.

International Credit Union Day recognizes the positive impact credit unions have on the financial well-being of their members and communities. As a member-owned financial cooperative, Northern Savings is proud to support the people, businesses, and organizations that help the region thrive.

This month, Northern Savings is also launching a refreshed logo that honours its trusted history while looking toward the future. The new logo reflects the organization's continued evolution, commitment to exceptional member and client experiences, and dedication to serving communities across the North.

"Our new logo represents more than a visual change. It reflects our commitment to remaining a strong, community-focused financial partner for generations to come," said Northern Savings' President & CEO, Stefan Delloch.

Further demonstrating that commitment, Northern Savings is proud to announce the distribution of \$110,000 through its INSPIRE Fund in 2026. Launched in 2023, the Fund supports projects and initiatives that strengthen local communities.

"When members choose Northern Savings for their banking, investment, and insurance needs, they are helping create lasting community impact," said Delloch. "The INSPIRE Fund is a direct reflection of the cooperative difference, reinvesting in projects and organizations that make our communities stronger, more vibrant, and better places to live."

Northern Savings invites its members, clients, and the community to celebrate International Credit Union Day in its branches on Thursday, October 15 – enjoy some treats, check out the new logo, learn about the 2026 INSPIRE Fund recipients, enter to win a door prize, and grab a 2027 calendar.
