Northern Savings Celebrates International Credit Union Day® with \$85,000 in Donations to Local Organizations!

On October 16, 2025, credit union members around the world will celebrate International Credit Union Day®, an annual event to commemorate the credit union movement's impact and achievements. The ultimate goal of ICU Day is to raise awareness about the tremendous work that credit unions and other financial cooperatives are doing around the world and give members the opportunity to get more engaged.

Credit unions are not-for-profit financial cooperatives that provide an effective and viable alternative to for-profit financial institutions for more than 411 million members in 104 countries worldwide. More than 74,000 credit unions exist globally, providing a plethora of financial services for their members, recognized as a force for positive economic and social change.

While 2025 marks the 77th anniversary of ICU Day, Northern Savings has been part of the credit union movement for 85 years. This year, the credit union will celebrate with \$85,000 in donations to local organizations through the INSPIRE Fund, a homegrown initiative that provides financial support to long-standing initiatives.

"ICU Day is a special opportunity for us to express our heartfelt thanks to our members for trusting us as their financial partner. When members choose to do business with us, we are able to reinvest in our communities - supporting local individuals and businesses through loans and contributing to meaningful local initiatives through donations and investments," said Northern Savings, President & CEO, Stefan Delloch.

Northern Savings invites all members to stop by their local branch to enjoy a sweet treat and pick up a complimentary 2026 calendar. Not a member yet? Come in and discover the co-operative difference. Learn about the 2025 INSPIRE Fund recipients on [Northern Savings website](#).
