How to Enable Biometric Login

1. **Log in to Northern Savings Mobile Banking app** using your MemberCard and PAC (password) and ensure you have Remember Me enabled (tick the Remember Me option and enter a login profile)

2. **Go to the app's "Settings"** (found by scrolling to the right at the bottom of the app (three buttons).

3. **Look for the "Biometric Setup" option** and accept the Agreement.

4. **Toggle the switch to Enable Face/Touch ID for apple devices and Use Biometric Login for android devices**

5. **Follow your device's prompts** to register your fingerprint or facial recognition.

6. **Next time you log in,** you'll be able to use Face ID or fingerprint instead of entering your MemberCard and password.

Note: You must have biometrics already set up on your device (via your phone's settings) for this feature to work.
